Have a Coca-Cola = Skal
(HERE'S TO YOU)

*. . . or a way to be warm-hearted in Iceland*

*Skal*, says the Icelander when he wants to wish you well. *Have a "Coke"*, says the Yank in the same spirit. In every clime *Have a "Coke"* is a phrase that breaks the ice between strangers. That's why Coca-Cola always belongs in your icebox at home. Yes, from the equator to the poles, Coca-Cola stands for *the pause that refreshes*,—has become the global symbol of those who wish well to their fellow men.

Coca-Cola the global high-sign

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".
