Keep the Flag flying

BOOST YOUR BUYING!

EVERYBODY—AN EXTRA \$100 WAR BOND IN THE 4th WAR LOAN DRIVE

YOUR government is urging you—urging everyone with a job and an income—to buy an extra \$100 War Bond in the Fourth War Loan Drive.

That's the least being asked of every American—over and above your regular purchases.

And it won't be easy for most of us to set it aside! Taxes and living costs are a heavy burden. We'll just have to sacrifice and skimp and save to put this drive across!

Do without everything you don't need for happiness and health. Don't waste one precious penny. And put everything you can raise into War Bonds.

No sacrifice you can make can approach the sacrifices of our marines on the blood-soaked sands of islands in the Pacific, or our soldiers fighting their way mile by mile towards Berlin. No sacrifice you can make can match the selfless heroism of our gallant flyers over Germany or our sailors grappling with the stealthy Japanese fleet!

Our boys are giving up their homes and their families, their sweethearts and their jobs, even their lives.

Let's back them up by buying an extra \$100 War Bond in the Fourth War Loan Drive. You'll help to keep Old Glory flying everywhere it belongs!
