

AMERICAN

RED CROSS

# CAMPAIGN

## March 1st to 10th

Payette County's Quota  
\$5600.00

# LET'S GO OVER THE TOP

for those who are making a far greater sacrifice

● Sure, we have some inconveniences here at home . . . what with rationing, higher taxes, increased living costs and the like.

● But we're not dodging bullets or running out from under bombs, or sleeping in mud and fox holes, or wondering when a torpedo will strike.

● To carry on its work with our armed forces, the Red Cross this year needs a greater amount of help than ever before. Payette County has been asked to give \$5,600.00.

● Remember . . . The Red Cross is the one agency of mercy and help that follows our boys wherever they go. We can help bear this Cross by giving generously.

This Year—When The Need Is Double—Give Double.

The following Payette businessmen feel their obligation to Payette County Boys in the service and contribute this space toward Red Cross promotion.

City Meat Market
