

PRICE FORCES HOG KILLING

(Mrs. Edith Adams, Plymouth, reports.)

George Fouts of Orondo, Wash., raised and fattened twenty-seven pigs. They averaged two hundred and fifty pounds. He tried to sell them but the O.P.A. said the market was full and that he must not sell—not even to neighbors. He waited several days until the expense of keeping the hogs became too great. The O.P.A. still refused to allow him to sell his hogs. He had to shoot and bury them. The housewives are urged every day to save waste kitchen fats. We wonder why the fat in these pigs could not have been used. That would have been more waste fat than a whole community of housewives could have saved in a year. We housewives would like to know why we have to scrape and save every drop of fat for the war effort while the O.P.A. can destroy pounds and pounds of fat not to mention the meat which could have been consumed by the needy in our own land.

Northern Baptist Convention

The Rev. Harold Ludwick is at home after attending the Northern Baptist convention which was held in Atlantic City, New Jersey, May 23 to 26.

There were nine authorized delegates and one visitor from Idaho. It was the fourth largest convention in the Northern Baptist history, four thousand two hundred ninety one being registered, representing thirty-four states.

Mrs. Lesley Swaine was elected president of the Northern Baptist convention, this being the second time in its history a woman has been elected president.

Forty-three missionaries were commissioned at the conference, most of whom received commissions for foreign lands. Miss Doris Wiseman of New Plymouth was among those commissioned.

The Rev. Ludwick spoke at the conference of the Lord's Acre Plan which the Baptist people carry out here in New Plymouth to raise funds for special work. Last year sixteen hundred dollars was raised by the church through this plan. The June issue of the Baptist paper, "Missions," is a picture of this church, its pastor and some of the farmers who helped in the Lord's Acre Plan. This is the third nationally circulated paper in which the New Plymouth Baptist church has presented this Lord's Acre Plan.

Chaplain Thorne of Camp Dix spoke on "The Work of the Chaplain in War Time." He reported that the casualties among the chaplains is the highest of any other in the service, it being a ra-

tion of one out of five. Out of the five hundred chaplains in the service there has been a hundred and twenty-four casualties and thirty-four prisoners of war.

Dr. William Mather in speaking to the conference said that last year \$45 million dollars was spent for liquor. That would have given our armed forces thirteen thousand three hundred thirty-three flying fortresses. Instead it was spent to produce one half barrel of liquor for every man woman and child in the United States.

In regard to the new simplified tax form signed by President Roosevelt, May 25th, the convention voted to ask the United States Congress to make it known to the public that the long form allows fifteen per cent for charity and church work while the short form allows only ten per cent.

The Rev. Ludwick reported an unusual trip through eastern Nebraska and Iowa. Due to the heavy rains and high water the trip that normally takes ten and one-half hours, took twenty-four hours. The train ran out of ice, food and the air conditioning system failed to work because the train was stalled so long. Because the train was so late, the Rev. Ludwick lost his reservation out of Chicago and had to stand. He stopped at Baker, Montana where he was pastor for several years to visit old friends.

Directors Meet

The board of directors of the Farmers Cooperative Irrigation company met Monday. Charley Pickett and a group of men from the company went to McCall to investigate the amount of water for the summer. They reported that a cloud burst had filled the reservoir and the headgates had to be opened to relieve the pressure. Water is plentiful this summer.

Mr. and Mrs. J. B. Fisher of Boise visited Mr. and Mrs. William Fisher Friday.

Mr. and Mrs. Pettijohn went to Emmett to visit friends there. Mrs. Cora Thompson entertained at Sunday dinner Dr. and Mrs. Davis, Mrs. Hazeltine, Mrs. Frank Edgington and Mrs. Laura Fisher and daughter.

The pallbearers at the J. W. Lynch funeral were Mike Gallagher, Roland Sullivan, William Fisher, Jake Kramp, El Chadwick and William Godschalk. The honorary pallbearers were C. S. Eder, Chas. Hartung, Bernard Eastman of Payette, Charles Hanman of Ontario, R. S. White and Philip

Boyer of New Plymouth. High school mass was held. Mrs. Duward Eastman was Mrs. Marie, Mrs. Eddy and Mrs. Crawford had charge of the flowers. Some of the out of town guests were Art Ackerman of Ontario, Martha Hanman, Mrs. Fishouse of Payette, Mr. and Mrs. Schular and John, Mrs. A. H. Hillborn, Miss Ruth Fisher, Miss Fern Carlson, Miss Norma Marsh of Nampa, Mr. and Mrs. John Fisher and Miss Ababel Bakke of Boise, Mrs. A. L. Stein of Gladstone, Oregon, Mrs. L. E. Johnston of Coeur d'Alene and Irie Lynch of Los Angeles, Mr. and Mrs. A. P. Meechin and Marie Ackerman of Payette.

May Hutton and Lucille Rhodes were at home this week and visiting their parents and friends. May remained over Monday.

Mrs. Frank Noyes returned home Friday from Mountain Home where she had been visiting her daughter, Mrs. Charles Anderson, who has been ill. Mrs. Anderson's health is much improved.

Mrs. Hazel Barker and Mrs. May Thompson attended OES in Payette Tuesday evening.

The Rebekah Lodge met Monday evening to elect new officers. Mrs. Ruth Gard was elected Grand Noble, Mrs. Edna Parker Vice Grand, Miss Della Crowther, secretary and Mrs. Myrtle Nelson, treasurer.

Mrs. H. M. Wiseman's sister, Mrs. E. F. Edwards of Ontario and her niece, Mrs. George Jones of Caldwell, were her visitors Saturday afternoon.

Mr. and Mrs. Robert Flaide of Boise spent Sunday evening with Mr. and Mrs. L. I. Purcell. Mrs. Martha Guthery, who had been visiting the Purcells for several days, returned with them to Boise. Mr. and Mrs. L. I. Purcell received word from their son, Jack from Fort Roberts, California, that he has mumps on both sides and that half the camp is down with them.

The Rev. Harry Johnson of Boise, district superintendent of Congregational churches, preached Sunday at the New Plymouth Congregational church Sunday. He promised the church that during the summer he would send an honor graduate of the college to fill the pulpit here.

Civic Council of New Plymouth met Tuesday, May 6. Besides the regular procedure of business, a 23 mill tax was levied for this year. This is three mills less than the tax last year.

CHRISTMAS MAIL TO MEN OVERSEAS

Christmas mail to Armed Forces overseas this year is expected

to exceed last year's record. Plans are now being made by the Post office, War and Navy departments to handle this mail. From September 15 to October 15, Christmas gift packages for men overseas will be accepted for mailing; if they are no more than five pounds in weight, 15 inches in length and 35 inches in length and fifth combined. Only one such package will be accepted from the same person to the same addressee during any one week, the War Department announces.

FUEL WILL BE SCARCE THIS WINTER

All fuel—coal, oil, gas and wood—will be scarce this coming winter, the Solid Fuels Administration for War says. There will be a deficit of about 15 million tons of

fuel. Consumers should order their coal now, during the summer season, and store whatever kind the dealer recommends. Householders using fuel oil should order their supply as soon as their new ration coupons become valid—probably within the next month. By filling consumers fuel orders early, dealers will be able to re-fill their own oil tanks or stockpiles, and thus add to the total storage capacity of the rationed area for use later in the winter. The solid fuels administrator urges all fuel users to help conserve fuel next winter by weatherstripping, insulating and getting heating equipment in good shape now during the summer.

ANNOUNCEMENT

In order to eliminate further misunderstandings relative to the retail sale of ice cream and to clarify the business policy of the Farmers Co-operative Creamery, the following announcement is made:

Some time ago the production of ice cream by the Farmers Co-operative Creamery was set at 65% of the volume manufactured in 1941 or 1942, which every year was the largest. This order recently was changed making it possible for the Creamery to manufacture 85% of the 1942 volume but provision was not made increasing the sugar allotment for this purpose. Due to a lack of sugar it will be possible for us to proceed on a basis of only 75% of 1942 production.

In order to secure a more equitable distribution of our product and to protect our wholesale purchasers, who have been our customers over many years we are compelled to announce that there will be NO MORE RETAIL SALE OF ICE CREAM.

At our plant, Local residents desiring to purchase ice cream must do so through local retail establishments.

PATRONS OF THE CREAMERY

That is those people who sell milk or cream to the creamery will still be permitted to purchase ice cream at our plant on a basis of 75% of their purchases in 1941 or 1942. However, we do not have the facilities nor the labor available for holding orders for patrons and must operate on a basis of FIRST COME, FIRST SERVED.

WE WILL MAKE AN EFFORT TO PROVIDE ICE CREAM TO CHURCH, SCHOOL AND FRATERNAL ORGANIZATIONS insofar as the supply is available. ALL ORDERS MUST BE MADE WELL IN ADVANCE.

The Farmers Co-operative Creamery has always pursued a policy of providing the service possible to its patrons and friends and the above announcement is brought about by wartime conditions and regulations over which we have no control.
