

Senatorial Race Exceptionally Close

Latest news dispatches Thursday morning indicate that United States Senator D. Worth Clark and Glen Taylor are in the home stretch running neck and neck for the senatorial nomination on the democratic ticket. Taylor's steel, however, seems to have a little edge of seven votes and it may require the official canvass to determine the winner. Charles Gossett has a comfortable lead over all other opponents for the democratic nomination for Governor. Governor C. A. Bottrifsen for United States Senator and William Detweiler for governor, have substantial leads for the republican nomination.

(Continued from page one)

Inning, Nampa had one run and Payette had six gooseeggs, or were held scoreless.

But in this inning things began to happen. Cliff Masingill singled to left and was thrown out stealing, and it was getting dark and that big Lyda boy, as Dizzy Dean said, was "floggin' 'em through there." Ackerman walked and promptly stole second. Roland Masingill singled to left and the score was tied one-all. Don Dibble then scored Roland with a nice single through short which ended the game, 2 to 1 in favor of the home town.

Homemakers' GUIDE

How To Dress Up Salad Dressings

A GOOD ready-to-use salad dressing is, in itself, guaranteed to add zest to a meal. But there are scores of simple little ways to make them even more zestful. For instance:

FOR RICH COLOR, combine shredded raw beet and the juice of 1/2 lemon with 1 cup salad dressing or mayonnaise—adds interest to any raw or cooked vegetable salad.

FOR HOT VEGETABLES, try this homemade hollandaise: mix 1 cup salad dressing or mayonnaise, 2 tps. prepared mustard, 1 tsp. lemon juice, and a dash of salt—piquant on cauliflower, for example.

FOR MEAT OR FISH, combine 2 tbsps. finely chopped chives (green tops of onions will do), with 1 cup salad dressing— toothsome on vegetable salads, too.

FOR DESSERTS, mix 1 cup salad dressing with 1/2 cup fruit juice (any kind), and use generously as a topping for fruits—may be sweetened by adding a bit of honey.

Use RAISINS in this Simple Salad
Delightful—and satisfying—on a warm day! Marinate raisins, grated raw carrots, shredded cabbage, and chopped celery. Serve in lettuce cups.
