Contrary to the belief of many people you do not buy space in a newspaper when you advertise—instead you purchase circulation. The newspaper which has the largest circulation performs a much better service to its customers than does the paper with a small circle of readers. The Independent-Enterprise has the largest circulation of any newspaper read by the people of Payette county. Should you send a post card with your message to every one of our readers it would cost you approximately twenty-five cent dollars. YOU CAN CARRY THE SAME MESSAGE TO THEM IN THIS NEWSPAPER FOR AS LOW AS TWENTY-FIVE CENTS.
