

At Christian Church "They Live Forever"

"The Live Forever," a full-color motion picture with sound, dealing with the spiritual aspects of World War II, will be shown at 8:00 o'clock Wednesday night, Aug. 22 in the Payette Christian church, according to Payette District Christian Endeavor Union leaders.

The film was produced by Irwin A. Moon, of Moody Bible Institute extension staff, and is being distributed under the Institute's auspices in army camps and naval training stations.

Mr. Moon photographed the film's superb color sequences while touring army and navy camps with his "Sermons from Science."

"They Live Forever" features the life-raft experiences of Lt. James C. Whitaker and Sgt. John Bartok and the testimony of Col. George S. Clarke, one of the last army officers to leave Bataan, as well as a series of training shots taken in both army and navy camps.

In the version of the film being shown here a sequence is devoted to some of Mr. Moon's "Sermons from Science" demonstrations, including examples of photomicrography, lap-rod-time photographs of growing flowers, and pictures of crystal growth under a polariscope. There are other scenes of an active volcano erupting and a delicate operation on a human heart.

Major & Mrs. Cohen Arrive Home

Major and Mrs. Lawrence J. Cohen, the former Lois Boomer, arrived in Payette Monday night from England to visit with Mrs. Cohen's mother, Mrs. May Boomer, and brother Henry Boomer.

Major Cohen went on to Van Nuys, Cal., Tuesday morning where he will be stationed at Birmingham General hospital while Mrs. Cohen remained for a longer visit.

Both Major and Mrs. Cohen served many months in England, he as chief surgeon in the orthopedic section of a hospital and she as a Red Cross aide. They were married July 1 in London.

Masters Urges Use Of State Flag

Idaho's state flag now hangs over the desk of Secretary of State Masters in the State Capitol. This emblem of our Gen State should be displayed more freely and more frequently is the opinion of Secretary of State Masters.

Perhaps one reason why the state flag is not found in more places is

because very few replicas of the flag are offered for sale and the fact that these flags are almost unheard of and unseen in the market places.

The Governor's office has a large state flag along with the Stars and Stripes and a number of other flags. This spring one of the teachers in Jefferson county asked to display the state flag at their commencement exercises and the flag belonging in the Secretary's office was loaned to them, because the State Flag was not for sale or rent.

Service Men To Be Eligible For Legion

Announcement has been made at National American Legion headquarters that all men in service on V-J day will be eligible for membership in the organization, Lee Coblenz, commander of the local American Legion post said Tuesday.

If parents or other relatives so desire they may pay dues for their service men and the latter's names will be printed on special V-J day plaques to be furnished posts throughout the country. The membership cards issued will also carry V-J day as the date of membership in the Legion.

Smother Clothing Fire

If a child's clothing catches on fire, place him on the floor and smother the fire with coats, blankets or rugs, working from the shoulders toward the feet. If he is overcome by smoke or fire gases, remove him immediately to fresh, but not cold, air. Call for a doctor. If the child is not breathing, start manual artificial respiration at once. Do not give alcohol or drugs or force the child to walk. Wait for the doctor to arrive.
