THE LAST DAY

FOR MEN NOW IN THE ARMY TO
RETAIN THEIR PRESENT GRADES
BY REENLISTING...

Men now in the Army who re-enlist before February 1 will be re-enlisted in their present grade. Men honorably discharged can re-enlist within 30 days after discharge in the grade they held at the time of discharge, provided they re-enlist before February 1, 1946.

There's a long list of attractive reenlistment privileges in the new Armed Forces Voluntary Recruitment Act of 1945. The ability to keep your present grade is only one of them, but this privilege expires on January 31.

There are plenty of other reasons why many thousands of men have enlisted, and more thousands are enlisting every day. You'll certainly want to know all of the opportunities open to you. If you'll read them carefully, you'll know why a job in the new peacetime Regular Army is being regarded today as "The Best Job in the World."

HIGHLIGHTS OF THE NEW ENLISTMENT PROGRAM

1. Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted for men now in Army with 6 months' service.)
2. Enlistment age from 17 to 34 years inclusive, except for men now in Army, who may enlist at any age.
3. Men reenlisting retain present grades, if they reenlist within 30 days after discharge and before February 1, 1946.
4. The best pay scale, medical care, food, quarters and clothing in Army history.
5. An increase in the reenlistment bonus to \$50 for each year of active service since such bonus was last paid, or since last entry into service.
6. Up to 90 days' paid furlough, depending on length of service, with furlough travel paid to home and return, for men now in Army who enlist.
7. A 30-day furlough every year at full pay.
8. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
9. Option to retire at half pay for life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active Federal military service counts toward retirement.
10. Bonuses under the GI Bill of Rights.
11. Family allowances for the term of enlistment for dependents of men who enlist before July 1, 1946.
12. Opportunity to learn one or more of 200 skills and trades.
13. Choice of branch of service and overseas theater in the Air, Ground or Service Forces on 3-year enlistments.
