Why You Should Order Your Winter Supply of Aberdeen NOW!

- (Continued from OPA bulletin)
- 1—Dealers yard storage is limited.
 - 2—So deliveries can be made direct from car, saving manpower.
 - 3—Your coal bin furnishes storage space needed to insure coal supply for everyone next winter.
 - 4—To enable dealer to keep a steady flow of coal from mines and thus keep miners employed during the summer.
 - 5—Fuel oil shortages may compel more consumers to depend on coal for fuel.
 - 6—You can now store fuel equal to your last year's consumption.

Son Writes From Southwest Pacific

Mrs. Mary E. Johnson is in receipt of a letter from her son, Harold Johnson, who is on a Marine Transport somewhere in the Southwest Pacific. Harold wrote that he had been to Honolulu and had purchased some souvenirs there which he would send home as soon as possible. He said he had been spending his time when he was in port at some of the tropical islands trying to find someone like Dottie Lamour, but that he had had no luck as yet. "The U.S.A. will look good after seeing this part of the world," Harold said.
