Have a Coca-Cola = Pukka Gen (SWELL INFO.)

... or how friends are made in the R. A. F.

Have a "Coke" is a friendly greeting among R. A. F. flyers back at early dawn from a night mission. It's like a salute among comrades in arms that seals the bonds of friendship in Plymouth, England, as in Plymouth, Mass. It's an offer as welcome on an English airfield as it is in your own living room. Around the globe, Coca-Cola is spreading the custom of the pause that refreshes,—has become a happy symbol of good-hearted friendliness in many lands.
