Housewives To Study Spring Canning

The subject "Home Preservation"—more important this year than ever before—will be discussed on Monday, May 29 by Mrs. Leona Anderson at the Portia club house at 2:30 o'clock.
Discussing the canning meeting, Mrs. Anderson today said: "Many women never canned before last summer, and all of us had a lot to learn. There were many successes, but too many failures. Those are the things we are trying to help—and to make canning as easy as possible. It really isn't hard, you know."

THE BIBLE SPEAKS

By R. L. Dalzell

"THE WAY"

In the Old Testament, we find many passages of scripture pointing to the "way of life," and throughout the entire Bible we have instructions concerning it. Solomon of old said, "He is in the way of life that keepeth instruction"—Prov. 10:17. Turning to Isaiah 35:8, we find more prophecy concerning this way. Isaiah there pictures two ways, "a highway, and A WAY, and it shall be called the way of Holiness." We notice here that there are two ways mentioned, and then just a few hundred years later, we hear Christ, the Messiah, presenting those same two ways. "Enter ye in at the strait gate; for wide is the gate, and broad is the way, which leadeth to destruction, and many there be that go in therat. Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it"—Matt. 7:13-14. We often hear the argument made that there are various ways and roads for man to choose from, but that they all will terminate at the same destination; that which we all want to go to.

In Jno. 14:1-6, we find the Lord giving more light upon the question of "the way" and an explanation of what it is. He said, "I am the way, the truth, and the life; No man cometh unto the Father but by me." Upon this way, one may travel to the Celestial city. In Prov. 15:24, "The way of life is above to the wise, that he may depart from hell beneath." Jesus said, "If a man keepeth my sayings, he shall never see death"—Jno. 8:51.

Friends, we extend to you a cordial welcome at the Church of Christ either in Fruitland or in Weiser. Everybody Welcome.

BUY QUALITY

It's unwise to pay too much, but it's worse to pay too little. When you pay too much you lose a little money—that's all, but when you pay too little, you sometimes lose everything because the thing you bought is incapable of doing the thing it was bought to do.

The common law of business balance prohibits its paying a little and getting a lot. It can't be done. If you deal with the lowest bidder, it is well to add something for the risk you run and if you do that you have enough to BUY QUALITY.
