Have a Coca-Cola = Come on over

...or keeping youth happy at home

Keeping young folks happy at home is mostly a matter of having a house in which they and their friends feel welcome. So don't forget Coca-Cola... it's always a big attraction for the young crowd. It says better than words, *Come on over to our house... we're glad to see you.* Be sure there's "Coke" in your icebox. There's no more cordial invitation, nor one more refreshing, than the three simple words... *Have a "Coke"*.
