GRAND CHAPTER CLOSING SESSION

(Continued from page one)

During the past year Mrs. Birch had suggested that the chapters in Idaho form a twenty-a-week club and at the end of the year use this money to purchase a mobile can-can unit for overseas. The end of her year found \$1700 in this fund. Either a can-can unit or a dispensing unit for blood plasma will be purchased as soon as possible. A partial report of the resolutions committee contained the following paragraphs: "We extend our heartfelt thanks to Lorraine Chapter No. 20 whose untiring efforts have made our past year a happy one. Your happiness even greater in enjoyment than in expectation. You have reached perfection and reached your goal. Your graciousness to old friends and to the strangers with whom you have shared your kindness and your courtesy will never be forgotten."

The lovely flowers, the smiles of God's goodness have gladdened our hearts. We thank the organizations and the individuals who so graciously presented them.

"We express our gratitude to the Rev. C. G. Hannan for the inspiring services on Sunday evening."

"We thank the Payette Chamber of Commerce and other organizations and the individuals of the City of Payette for the many courtesies extended to the Grand Officers and members of this session of Grand Chapter."

The high esteem in which the Grand Chapter officers and members are held is evidenced by the many beautiful floral pieces which decorated the lodge room.
