Have a Coca-Cola=Let's work refreshed

...or a helping hand on the farm

Helping to feed America means long hours in the fields... endless tasks to perform. All the more welcome, then, is the friendly pause for an ice-cold Coca-Cola. Have a "Coke", says a farm companion, and it means Let's work refreshed. In country home or city dwelling, frosty bottles of "Coke" belong in the icebox. Across America, Coca-Cola stands for the pause that refreshes—a symbol of kindly hospitality.

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".
