

CHANGES MADE AT N. P. SCHOOLS

(Mrs. Edith Odome, New Plymouth comes.)

Will Reside In Kentucky

Mr. and Mrs. Art King and daughter left Saturday morning for Kentucky where they will make their home for the benefit of Mrs. King's poor health. Mrs. King was contracted to teach second grade in the New Plymouth grade school before she was advised to change climates for her health.

Mrs. A. L. Collinsonworth has filled the second grade vacancy. Several changes have been made in the teaching staff of the New Plymouth grade school. Besides the second grade change, Mrs. David Stone resigned the sixth grade position which has been filled by Mrs. Belts, former third grade teacher. Mrs. Vernice Gorton filled the third grade vacancy.

Son In Hawaiian Islands

Word was received by Mr. and Mrs. Benjamin from their son, Walter, who is stationed in the Hawaiian Islands, that his company was among those who rebuilt the bases on the Marshall Islands after their capture. Walter Benjamin is in the Seabees. Mrs. Benjamin is anxiously awaiting receipt of an album of pictures which her son has taken during his travels and has sent to her.

FIRE INSURANCE WAS NEVER MORE IMPORTANT THAN NOW

Much of Your Personal Property could Not be Replaced if Destroyed by Fire!

Do you know—that fire causes daily destruction of 930 homes; 96 farm buildings; 5 churches; 2 theatres and 1 hospital in this country.

Insurance rates are really very low . . . Why take chances?
