—HOMES FOR SERVICEMEN

Announcement was made this week to the effect that through the Federal Housing Administration generous arrangements are made whereby servicemen may build their own homes NOW. All that is required is for the serviceman to make a statement to the effect that he is unable to obtain sufficient housing and he will be given immediate and full priorities for new construction or remodeling.

—The Procedure Is Simple

All that's required for the veteran desiring to remodel or build a home is to make application through the FHA in Boise. Construction arrangements may then be made with the building contractor, building materials dealer or bank of the applicant's choice.

—Information Available Locally

Full information and application blanks may be found at our office and in addition a free planning service will be rendered.

—Buy Lots Now

Veterans interested should immediately make arrangements to get their lots now. Real estate values are rising and there are only a few desirable locations available. We will be pleased to render any service possible to servicemen free of charge.
