

THREE TERMS Were... TOO MANY FOUR WOULD BE TOO MUCH!

Continued tenure in office destroys efficiency and breeds corruption and contempt.

This principal is as old as our government.

Washington refused a third term and warned against it.

Jefferson denounced anyone who would seek a third term.

It was condemned in the Democratic Platform in 1896 and 1912.

In 1928, Senator Norris, in a debate on the question, said:

"If a President of the United States were allowed to renominate himself, it would mean the establishment in this country of a monarchy upon the ruins of our present form of government."

Power ALWAYS Corrupts

Jefferson said: "The time to guard against corruption and tyranny is before they shall have gotten hold of us."

**Millions Of Needless Jobs Have
Been Created And---**

TRADED FOR VOTES

The tyranny and corruption Jefferson feared as now in control of this administration, Hillman, Browder, Hague, Kelly, Flynn and Pendergast are trying to multiply their greed for power into a fourth term.

**"I have never made so
much money in my life**

and intend for that reason to vote for Roosevelt," is a statement of one man. This same man forgets that he is making money on a war prosperity, a war, which may claim as its toll the life of his own son, despite the fact that we were told that an American boy would not be fighting on foreign soil.

Roosevelt tried for seven long years to bring about a stable business condition in our country and at the end of that time still had 10,000,000 unemployed. It took a war, the lives of our young people and the wealth of our country to bring about prosperity. Do we want prosperity of that kind?

**When you vote for
Roosevelt you give
sanction to---**

The communist, the radical labor racketeers, the rotten big city bosses, ex-convicts Earl Browder, Pendergast and others in the same category.

If you vote for Roosevelt you place the stamp of approval on a policy of regimentation which heads directly toward dictatorship.

A vote for Roosevelt means further restriction on your everyday life, greater controls on your business activity and if you are a laboring man more attention will be given to where you work, how long and for how much.

A VOTE FOR THE REPUBLICAN TICKET WILL GIVE ASSURANCE THAT AT THE END OF THE WAR YOU WILL HAVE GOVERNMENT RETURNED TO THE PEOPLE.

**Be Sure And Give
Your Vote To ...**
