

IMPRESSIVE SERVICE SUNDAY DEDICATES PROJECT AT N. P.

(Mrs. Edith Odams, Plymouth church)

A very beautiful and impressive service was held Sunday at the Baptist church as it celebrated its third annual dedication of the North Payette Project.

After the morning service, a basket was collected around the church containing all kinds of food, including apples, lemons, vegetables and fruits. The dedication service was held in the afternoon. Various departments and organizations of the church were represented on the program. Dr. Harold Ludwick, pastor of the church, gave the invocation. Harold and Edith Ludwick sang a vocal duet. Alice Townsend read the scripture. Mrs. Roy Dennett read a poem. Mrs. A. E. Cofer and Mr. Oakley Smith read the prayer. Misses Mildred and Cleo Bell Handley sang a vocal duet. Miss Ruth Remington played a saxophone solo. Mrs. Harry Wiseman read a poem. The Rev. Ford M. Burch of Boise and former pastor of this church gave the dedication. Messengers of the Baptist sisters, daughters of Rev. Burch sang an a cappella hymn.

After the church presented its offering and read the dedication of the project, Dr. Ludwick pronounced the benediction.

Mrs. Edith Odams, Mrs. Roy Dennett, Mrs. E. F. Edle and Mrs. John Dehn and their committees planned the decorations of the church sanctuary and the recreational room and arranged the dedication program.

A total of \$199.44 was raised for missionary and special church work by this worthy project.

Don't Let It Happen Again!

In 1920 the League of Nations was defeated by one vote in the United States Senate.

The vote of an Idaho Senator decided the fate of the world. If the League of Nations had been ratified it is probable we would not be fighting this second world war.

There are still many isolationists in the Senate. The vote on a new plan to preserve peace in the world may be just as close this time.

The future of the world may be decided by the vote of the man you elect as Senator from Idaho on Nov. 7th. Vote for a man who will work for . . . and vote for . . . a plan to preserve world peace.
