## A TIP

### MR. MOTORIST

We have a nice stock of A-Grade rubber on hand. When this stock is exhausted we will be unable to furnish this grade of rubber in welding.

A-Grade recaps will deliver many thousand miles of safe driving at less cost than new tire mileage.

# After The War - Then comes UNCERTAINTY

Following hostilities there will then come a period of uncertainty in business. Is it not well during these prosperous war days to get set for that period? Is it not good business to put some of those surplus earnings into something permanent?

It is a conceded fact that real estate—farm and residential property—are the most sound investments available. When considering your post war future just remember that we have one of the largest listings of Payette and nearby county properties that are for sale.

If you are particular what you buy in the way of a farm you will appreciate the information relative to each listing which we will make available to you as to earning power, etc. We make your financing easy if it is desired.
