Those in this county interested in the course should contact Mrs. Swanson for further details.

MAJOR HAS WIDE WAR EXPERIENCE (Continued from page one) He has received the purple heart and oak leaf cluster; the silver star and oak leaf cluster for meritorious service and the combat infantry award. His service ribbon bears insignia for European and Asiatic service. He says the Japs are much more vicious fighters than the Germans, and he believes that the Japanese race will have to be practically annihilated before they are finally beaten.

last few years. The peak production of milk for 1941 was 30,000 lbs. per day; 1942 was 33,674 lbs. per day; 1943 was 123,859 lbs. per day; 1944 was 248,350 lbs. per day and the estimated 1945 peak will be 300,000 lbs. per day. This will give you some idea of the problem of securing equipment. It might be summed up by saying that your plant has been changed from a separated cream plant to a whole milk plant during the last three years.
