Boise Couple Weds At Party Here

Attendants at the Eastern Star card party at Masonic hall last Thursday night were treated to an impromptu wedding as a special feature of the program.

A couple from Boise F 2/c John Chas. Lungren, home on leave from the navy and Miss Mary Fay Hymas, called for Miss Helen Dunn, justice of the peace who was in attendance at the party, and when she intimated that it might be a wedding, friends asked her to bring the couple to the party. Miss Dunn met the couple at her office and proposed that they go to the party for the wedding. The young people were willing and details were hurriedly arranged. Mrs. Marguerite Millbrook played the wedding march and Mrs. Wilma Steinke sang "Because." Justice of Peace Miss Dunn read the vows with Mr. and Mrs. Thomson of Boise, friends of the couple as attendants. Following the ceremony, a collection was taken up and presented to the newlyweds, and they left with the well wishes of the large number in attendance.

Has Your Farm Been Enumerated?

The 1945 Agricultural Census of all crops, cattle, sheep for 1944 is drawing to a close. It is desired to have the enumeration as complete as possible. It is realized that there are some places that may not have been enumerated. Any person who operates farms, greenhouses, apiaries, large gardens or who keeps cows or other livestock, chickens, or who grows flowers, vegetables, or fruit for sale and whose products whether for sale or for home use aggregate more than \$250.00 or who operates on 3 acres or more land are requested to send in their names and addresses to the local supervisor, Charles Peacock, Weiser, Idaho, if their operations have not been enumerated. It is essential that this census be as complete as possible in order to provide the government with accurate, dependable information for carrying on the war for post-war planning, and for the use of all government agencies. Such as the Agricultural Extension Service, etc.

Harry A. McGimsey of Phoenix, Arizona, will give an illustrated lecture with slides at the Church of God Tuesday night at 8:30 p. m.

VEHICLE LICENSE SALES LARGER THIS YEAR

All types of vehicle license plates have shown an increase in sales up to this time this year over the same period in 1944, according to Mrs. Grace Abbott, county assessor. The comparison shows sales:

| | 1944 | 1945 |
|-------------------|------|------|
| Passenger cars | 1547 | 1920 |
| Farm trucks | 312 | 400 |
| Commercial trucks | 20 | 32 |
| Private trucks | 116 | 150 |
| Trailers | 279 | 450 |

This does not indicate an in-

crease in the number of vehicles in the county Mrs. Abbott said, but rather that vehicle owners generally are evidently anxious to get rid of the old paper stickers and obtain the new metal license plates in their stead.

Missionary Here On April 22

On Sunday April 22nd, at 3:30 p. m., at the Baptist church in Payette, Rev. Thomas Titcombe, who spent thirty-five years as a missionary among the head-hunters of the interior of Sudan, deepest jungles of Africa, will speak in a union meeting of the Payette churches.

Mr. Titcombe will tell of his experiences while among these most debased pagans who had never heard the name of Christ. His subject will be, "From a Cannibal Feast to the Communion Table."

Corporal Gerald Lauks, from Gowen Field will be present and will sing several numbers. Everybody is invited to hear this inspiring message.

ORCHARD AVENUE GRANGE WILL MEET

The regular meeting of the Orchard Avenue Grange will be held April 20 with the Home Economics committee in charge of the program. Joe Beeson will be the principal speaker of the evening. Coffee and pie will be served.

Basic Reason For Black Market

The reasons for the black market are explained primarily by two figures, the Office of Price Administration said. American civilians with the purchasing power now available to them provide a demand, at

ceiling prices of 170 pounds of meat per capita per year. Allocations for the present quarter of this year allow for a civilian consumption of 115 pounds. This difference between a demand of 170 pounds and a supply of 115 pounds constitutes the root of the black market. Such an enormous gap between demand and supply has placed a terrific pressure on firms and individuals in the meat industry to violate price reg-

ulations. The need for an aroused public opinion against black market operations is of the utmost importance. OPA pointed out. The housewife who willingly pays black market prices for meat is depriving our men in the Armed Forces, cheating her fellow citizens of their fair share of meat under rationing, and lining the pockets of greedy men who are taking advantage of the war for their personal gain.

Jane: "Hurry Ann, there's a wonderful sale advertised."

Ann: "I don't need any new clothes! I just had all my dresses cleaned and they are all like new."

Ann's helping her budget and the war effort!

Do you know this about Produce?

When you serve fresh vegetables, properly prepared, you are providing your family with required vitamins... using foods in plentiful supply, and best of all, offering them delicious, delicate flavor obtainable in no other way. Here are some tips on vegetable cookery that will pay you dividends in ease of preparation as well as flavor.

For strong-flavored vegetables such as onions, cauliflower, etc., use sufficient boiling salted water to cover the vegetable; cook uncovered, drain, and discard cooking water, for it contains disagreeable sulphur compounds.

For spinach, Swiss chard, and other leafy greens, lift washed leaves into a large sautépan containing 1 to 2 cups rapidly boiling salted water, and cook rapidly, uncovered, turning greens once or twice with fork and spoon. Cook until barely tender. Drain and discard water, for it contains objectionable compounds of oxalic acid. Season to taste with butter or margarine, salt and pepper, and serve garnished with lemon wedges.

For red cabbage and beets; cook in small amount of boiling water to which 1/2 teaspoon vinegar or lemon juice for each cup shredded vegetable has been added, in order to retain bright red color.

Steaming: Place prepared vegetables in perforated inset of steamer, over rapidly boiling water. Sprinkle lightly with salt, about 1/2 teaspoon per pound of vegetable. Cover tightly and steam until tender. Season as desired, and serve at once.
