THE CAR THAT'S REALLY NEW!

1946 OLDSMOBILE

OFFERING THE NEW GENERAL MOTORS HYDRA-MATIC DRIVE

Hydra-Matic Drive is a combination of a fluid coupling and a fully automatic transmission. Gears shift automatically through all four forward speeds, and there's not even a clutch pedal in the car!

WITH MANY NEW ADVANCEMENTS

"Look to Olds For All That's New!" Look to America's oldest motor car manufacturer for the newest, smartest thing in 1946 models—and the newest, simplest way to drive. The 1946 Oldsmobile, with General Motors' new and finer Hydra-Matic Drive, is here now—for all to come and see!

And it's truly NEW in every sense of the word. The appearance is different from any previous Oldsmobile—with newly tailored lines, smart new front-end design, and newly appointed Bodies by Fisher. The performance is new, due to smoother and livelier "Fire-Power" engines. There are many new advancements throughout

the chassis to provide greater ruggedness and reliability.

Hydra-Matic Drive is new, too. First introduced by Oldsmobile in 1939, and thoroughly battle-proven in fast Army tanks during the war, this great General Motors development has now been made even finer, smoother, and longer lasting than ever... For the new 1946 Oldsmobile.

You are invited to come in, see and inspect this great new General Motors car. Oldsmobile has been building

quality automobiles for nearly fifty years. This newest Oldsmobile is by far the finest—the best-built Oldsmobile of all time.
